

## BRAVO™ NASAL PILLOW SYSTEM

### COMFORTABLE. QUIET. VERSATILE. BRAVO!

The Bravo! Nasal Pillow System combines comfort, quality and versatility in a nasal pillow interface. Lightweight with an ergonomic design, the Bravo! promotes greater patient acceptance. The contoured reservoir creates a superior seal with minimum pressure points. The Bravo! complete system includes (3) interchangeable nasal pillow sizes to ensure optimal patient fit. Multiple configurations provide greater flexibility in sleep positions.
